Tools for Talking When Stakes Are High
An Overview

1. What are Crucial Conversations?
2. What Are the Tools?
3. Why are Having Crucial Conversations More Important Now than Ever?

Wednesday, May 6, 2020, Noon to 1:00 p.m.
Register in advance HERE (After registering, you will receive a confirmation email containing information about joining the webinar. You may register up to the time of the webinar.)

Crucial Conversations teaches skills for creating alignment and agreement by fostering open dialogue around high-stakes, emotional, or risky topics. By learning how to speak and be heard (and encouraging others to do the same), you will surface the best ideas, make high-quality decisions, and act on your decisions with unity and commitment. This session will provide an overview of the Crucial Conversations model and provide insights for applying the skills and tools in our everyday work and lives during these challenging times.
