# Addressing Implicit Bias at IUPUI

- Learn about an IUPUI initiative to help faculty, staff, and students recognize and address implicit bias to enhance diversity and inclusion on campus.
- Explore how implicit bias impacts institutions of higher education in regards to recruitment, work, student outcomes, and relationships.
- Help inform perceptions about implicit bias and future actions to support a welcoming, inclusive community at IUPUI.\*
- **Try out one or more of the online [implicit association tests](#) before attending! (It's free!)**

*\*With permission, participant contributions to this conversation will be invited to inform an on-going study on implicit bias at IUPUI.*

Co-Facilitated by:

**Dana Doan & Tiara Dungy, Ph.D. students**
